arises between it and the specification in the said First Schedule.

3. An application for consent made to the authority under Article 2 of this Order shall
be in writing stating the reasons for making the application, and shall by reference if necessary
to a plan specify the trees to which the application relates, and the operations for the carrying
out of which consent is required.

4.—(1) Where an application for consent is made to the authority under this Order, the
authority may grant such consent either unconditionally, or subject to such conditions (including
conditions requiring the replacement of any tree by one or more trees on the site or in the immediate
vicinity thereof), as the authority may think fit, or may refuse consent.

Provided that where the application relates to any woodland specified in the First Schedule
to this Order the authority shall grant consent so far as accords with the principles of good forestry,

outstanding or special amenity value.

6.—(1) Where consent is granted under this Order to fell any part of a woodland then

a direction in writing specifying the manner in which and the time within which he shall replant
such land and where such a direction is given and the part is felled the owner shall subject to the
provisions of this Order replant the said land in accordance with the direction.

NOTE:—If it is desired to fell any of the trees included in this Order whether included as trees, groups
of trees or woodlands and the trees are trees for the felling of which a licence is required under the Forestry
Act, 1951, application must be made not to the authority for consent under this Order but to the Forestry
Commissioners for a licence under that Act. (See Forestry Act, 1951, Section 13 (1)).

- (2) Any direction given under paragraph (1) of this Article may include requirements as to—
- (a) species;
 - (b) number of trees per acre;
 - (c) the erection and maintenance of fencing necessary for protection of the replanting;

8.7. The provisions set out in the Third Schedule to this Order, being provisions of Parts III and VII of the Act adapted and modified for the purposes of this Order, shall apply in relation thereto.

9.8. Provided that no compensation shall be payable in respect of damage suffered or expenditure incurred by reason of such refusal or grant of consent in the case of any trees the subject of a certificate in accordance with Article 5 of this Order.

10.9. In assessing compensation payable under the last preceding Article or under Section 118 of the Act as applied by this Order account shall be taken of:

- (a) any compensation or contribution which has been paid in respect of the same trees under the terms of this or any other Tree Preservation Order under Section 29 of the Act or under the terms of any Interim Preservation Order made under Section 8 of the Town and Country Planning (Interim Development) Act, 1943, or any compensation which has been paid or which could have been claimed under any provision relating to the preservation of trees or protection of woodlands contained in an operative scheme under the Town and Country Planning Act, 1932, and
- (b) any injurious affection to any land of the owner which would result from the felling of the trees the subject of the claim.

11.10.—(1) A claim for compensation under this Order shall be in writing and shall be made by serving it on the authority such service to be effected by delivering the claim at the offices of the authority addressed to the Clerk thereof or by sending it by prepaid post so addressed.

(2) The time within which any such claim shall be made as aforesaid shall be a period of twelve months from the date of the decision of the authority, or of the Minister, as the case may be, or where an appeal has been made to the Minister against the decision of the authority, from the date of the decision of the Minister on the appeal.
