5. (a) Where an application for consent is made to the Council under this Order, the authority may grant such consent either unconditionally, or subject to such conditions (including conditions requiring the replacement of any tree by one or more trees on the site or in the immediate vicinity thereof) as the Council may think fit, or may refuse consent.

8. - Subject to the provisions of this Order, any person who has suffered loss or damage in consequence of any refusal (including revocation or modification) of consent under this Order or of any grant of any such consent subject to conditions, shall, if he makes a claim on the Council within the time and in the manner prescribed by this Order, be entitled to recover from the Council compensation in respect of such loss or damage.
